Calling all WA Primary School Students!

The time has come, the chance to see your original drawings turned into real-life LEGO masterpieces!

What will your favourite Fremantle icon look like in the distant past? Or blasted way into the future?

What's the Challenge?

We want to see our favourite Fremantle icons set in different time periods. Choose your icon below and then pick a point in time and sketch what you think it would look like.

How Does It Work?

We'll select the most captivating designs to be transformed into nine LEGO® creations by Perth's top builders. Picture your imaginative scene dazzling visitors during the July school holidays as part of the Freo Builds Trail. And that's not all – the public will vote for their favourite build, and the design with the most votes wins the 'Ultimate Excursion in Fremantle' for their whole class!*

TIME TRAVELLING FREO!

Let Your Imagination Soar – Think Beyond the Ordinary!

Maybe swashbuckling pirates are storming the Leeuwin?

Perhaps the Prison now houses futuristic aliens?

Could dinosaurs be living amongst the cranes?

Or the Lighthouse has been turned into a space rocket?

The possibilities are as boundless as your imagination!

Fremantle Icons to Choose and Draw:

Lighthouse

Leeuwin

Dingo Flour

Ferris Wheel

Fremantle Prison

Port Cranes
